Lara Orndorff

Lara is a sewist from outside Washington, DC who stumbled upon sewing a little over a year ago. Since then, she's been blow away by the community that exists in the sewing world and started Handmade by Lara Liz in November of 2016. Outside of sewing, Lara is a certified public accountant and lives in Arlington, Virginia with her husband (and resident blog photographer) Nathan.

Handmade by Lara Liz

Handmade by Lara Liz is a blog focused around contemporary garment sewing and Lara's love of beautiful fabrics and independent sewing patterns.

The blog is full of pattern reviews, pattern comparisons, and round ups of tips and tricks for tackling those difficult sewing projects. Each week starts with a #MeMadeMonday post showcasing a new outfit each week along with 1-2 other posts per week on average.

With consistent growth in both page views and unique visitors month over month since starting the blog, Handmade by Lara Liz is continuing to grow with each passing month.

Available for pattern testing, sponsored posts, blog tours/hops and other brand collaborations
